Leading Manufacturer for Disposable Paper Cup

Peko-Pac is one leading manufacturer for disposable paper cups and plastic lids in Zhejiang province (in Eastern China). We are located in Hangzhou city, the capital of Zhejiang province. Hangzhou is only one hour away from Shanghai by train and famous for Westlake (UNESCO World Heritage Site in 2011).

Peko-Pac has been engaged in paper industry for decades and completed ISO 9001 & ISO 22000. Since establishment of Peko-Pac, we are dedicated to bring high-quality, food-safe (FDA, LFGB & EU-10 passed), biodegradable and compostable products to the market. Peko-Pac is being green and eco-friendly. Also we purchase raw materials from Yalong Paper Products (Kunshan) Co.,Ltd, which is one of top manufacturers of basic paper for food packaging in china. Yalong is certificated with ISO 9001, ISO 22000, ISO 14001, HACCP and PEFC.

We build 6 production lines (single-wall cup, double-wall cup, triple-wall ripple(corrugated) cup, cold-drinking cup, jelly case & plastic lid) with complete sets of machinery as well as equipment: flexo printing machine, paper die cutter, cup shaping machine, paper corrugator (to make outer ripple(corrugated) cover), ripple cup making machine, plastic lid forming machine, etc

80% of our goods are for exporting. We have exported to USA, Canada, Japan, Australia, UAE, Thailand, Malaysia, UK, Germany, Netherlands, Italy, Czech, Ireland and other areas. Some are for café, restaurant & hotel, some are for airline and some are for retail & supermarket.

Peko-Pac is doing business in an open and honest way for long-term relationship. We supply our goods in a cost effective way to all clients no matter how large or small and to provide any client with an exceptional and friendly service. With a mission to fulfill customer satisfaction, we have gained high reputation in the industry.

Welcome to visit Peko-Pac!

Announcement of New Production Line: Double-Wall Ripple Cup

The same hot-resistance and easy-holding function as triple-wall ripple cup, but this new double-wall ripple cup is with unique ripple (could be designed by client or our engineer).This makes customer logo remarkable in the market.

Triple-Wall Ripple (Corrugated) Cup

Triple-wall ripple (corrugated) cup is the right choice for “coffee-to-go”, with the following 3 layers.

- *Base layer for inner cup: made of food-safe basic paper
- *2nd layer for air-shield cool wrap: made of recycled cardboard paper for eco friendly
- *High-friction surface layer with groove for optimum grip: perfect for hot resistance and easy handling.

We could do outer ripple cover by the following 3 options: straight ripple with large groove, straight ripple with small groove & “S” ripple.

- The following 3 printing/unprinted are recommended. MOQ for any option is 50,000pcs.
- *Kraft Paper: without printing, Kraft paper is raw paper without bleach, more eco-friendly
 - *Solid Color: classic & elegant, no need to open printing plate to save cost
 - *Custom Branded: with customer logo/design, the best option for marketing/promotion

Apart from regular cups, we also have machines to manufacture 19oz pasta pot & 7oz soup pot.
